DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby deny the same, subject to the following limitations and conditions:

This application is herewith denied on the grounds that to grant the application for irrigation purposes on lands that the applicant does not own or control and cannot demonstrate the ability to place the water to beneficial use, would not be in the public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before.

Proof of commencement of work shall be filed before.

Work must be prosecuted with reasonable diligence and be completed on or before.

Proof of completion of work shall be filed before.

Application of water to beneficial use shall be made on or before.

Proof of the application of water to beneficial use shall be filed on or before.

Map in support of proof of beneficial use shall be filed on or before.

Commencement of work filed IN TESTIMONY WHEREOF, I PETER G. MORROS
